Instructor: Mary Shey

Biographical background – “Mary Shey is a remarkable teacher from Acton, MA. Her interest in needlework goes back to a young age. Her maternal grandmother taught her when she was bed ridden by childhood illness. This started her enjoyment and accomplishment in learning and doing needlework, appliqué and quilting projects. Mary started teaching the techniques and fun of ribbon embroidery (at beginner and all levels) to the clients of quilting and needlework stores in Greater Boston, San Francisco and Los Angeles. Mary has cultivated repeat clients and developed a series of classes for them and with them.”

The subject of this class is summer bouquet on white background. This block has all the basic stitches to learn to work with ribbons. The project will be fun, fast and beautiful!
