## February 2019 Happenings!

*Dear Friends:*

*I just returned from a fabulous shopping weekend in So. California where I met many of our talented artists that paint our beautiful needlepoint canvases.*

*For the first time this 'mini market' was held in the new warehouse facility that Fleur de Paris (one of our largest distributors) and Rainbow Gallery (our largest thread supplier) now share. As always, there were sooo many awesome new designs and just as many favorites from years past.*

*I looked at hundreds (thousands?) of canvases and brought back so many that we are refacing our walls to accommodate them. Additionally, we have many new designs on order since the painters could not complete much of their new inventory in time for the show.*

*And -!!!- we have scheduled multiple trunk shows over the next year:*

**Raymond Crawford, Mindy Designs, Little Bird Designs, Cooper Oaks, Danji Designs, Pajamas & Chocolate Designs, Pepperberry Designs, NeedleDeeva and more!**

**We will keep you apprised of scheduling well in advance of each show's arrival.**

**I love how a small, simple design can create a big presence in these little frames!**
